

Welcome to CPSC 323-06 Compilers & Languages Class!

Dear Students,

Welcome to the Spring 2024 semester's Compilers & Languages course. I am Param Venkat Vivek Kesireddy. It will be a pleasure to have you as my students.

The class is now visible on Canvas. The syllabus for the course will be posted soon. During the first class, we will talk about it. I'll be uploading our weekly presentations as the semester goes on.

Our first meeting will be on Wednesday, January 24th, at 7:00 PM at Hum 511- Lecture Room. As attendance will be taken for both enrolled students and those on the waiting list, make sure you show up to the first lecture.

Let me know if you have any questions.
See you soon!

Best regards,
Param Venkat Vivek Kesireddy
